

THE STEPHENSON MEDAL

Awarded to Captain Benjamin Levy of Engine Co. 231, for having maintained the best disciplined and the most highly efficient company in the Department during the year 1936.

Captain Levy was appointed a member of the Fire Department May 5, 1905. During his service his record has been excellent. His career has been a varied one, having been assigned to Engine Companies 13, IS, 77, 21S and 231.

Because of his recognized ability, Captain Levy has been detailed as an Acting Battalion Chief on numerous occasions.
